

The Post Office in Danescourt - Message from the Chairman of the DCA

As some people will know I have been trying to get the Post Office relocated to a counter within the Co-op. This correspondence has generated upward of 30 emails and at least 25 telephone calls. At one stage I received emails that indicated that the move was going to take place and I thought we had a positive result.

Then, with both parties saying the other party had pulled out of discussions, I tried and I could not get a definitive response. I then wrote to the Chief Executives of the respective organisations directly. I included the petition with a 1000 plus signatures, organised by Judith James, plus letters of support from Councillors, Assembly Members, and Members of Parliament, all to no avail.

The letters I sent, plus the respective responses are now available for you to read.

- [Letter to Post Office CEO](#)
- [Letter to Coop CEO](#)
- [Response from Post Office](#)
- [Response from Coop](#)

Thank you to everyone that supported the efforts of the Danescourt Community Association.

Edgar Gibbs

Chair of the Danescourt Community Association
